THE GUIDE

Rannvá Joensen

www.instagram.com/rannvajoensen

Rannvá is a guide, location scout and a local production manager.

She is one of the top Photography influencers in the Faroe Islands.

Her passion for her country is enjoyed by the travellers too, that will get to know the best locations and inspiration from the islands.

Rannvá will be with you approximately 9 to 10 hours per day on days 2 to 7. On the first day she will just welcome you and drive you to the hotel for the little quarantine wait. On the last day she will drive you to the airport.

"Rannva blew us out of the water. We did a one day private tour for 4, and van was comfortable. I feel like we saw a weeks worth. She knew all the spectacular places, how to get there easily. Her stories and knowledge of the island was the cherry on top of the Sundae. We left knowing that we had to return soon"

"We were two photographers looking to capture the very best of the Faroe Islands. Our two photographic guides took us to amazing locations we never would have found ourselves. I highly recommend Faroe Tours"

"We love the company of Rannva, our pretty tour guide, who is more than a tour guide to me. She is a free soul and we have had lots of interesting cultural exchange during our day trips. Rannva is a professional photographer and she knows all the great photo spots on the island and she has taken many, many, many epic pictures of us !!!!!!!!!!!!!!!!!!!!!!!!!!!!! Rannva, I love you, you are a beautiful soul!!!!!!"
